Welcome to the Canadian Rookie Karting Championship (Toronto - North) presented by Goodwood Kartways. Goodwood Kartways is responsible for event promotion and execution following specific guidelines set forth by ASN Canada FIA. ASN Canada FIA is the governing authority for Kart Racing across Canada. Goodwood Kartways and the Canadian Rookie Karting Championship is an ASN Authorized Series.

The Canadian Rookie Karting Championship was introduced at Goodwood Kartways in 2006. Since then thousands of members have participated in our organized Arrive and Drive racing program designed for rookie and/or beginners of all ages. The events are organized and professionally run with an emphasis put on driver development within a safety first approach.

The Canadian Rookie Karting Championship provides a friendly environment for the whole family to enjoy. The Arrive and Drive philosophy stems from the basic concept that everything is provided. Members pay an annual membership fee and associated race day fees for the races that they choose to enter. From there everything is provided from the high performance racing kart, damages, licensing, training and approved racing equipment. We take pride in offering well prepared racing karts through a systematic maintenance program that translates into maximum reliability and competitive racing.

The Canadian Rookie Karting Championship is a great way for amateur racing enthusiasts to experience the thrill of racing at an affordable price.
