

TRAK - 2020 Competition Rules and Regulations

Toronto Racing Association of Karters (TRAK) is a Kartsport Canada affiliated kart club. TRAK follows the 2020 Kartsport Canada Karting Regulations. The following are supplements to both rule sets (sporting and technical), and are to be used in all organized TRAK events.

- ❖ The TRAK schedule is available on the club's official page at www.goodwoodkartways.com. The schedule contains all information pertaining to the name, date, and location of all events.
- ❖ Contact Information: 5200 Concession 2, Stouffville, Ontario L4A 7X4 - (905) 640-5278
- ❖ TRAK organizes all scheduled events at Goodwood Kartways located in Stouffville, unless otherwise stated. Goodwood Kartways is a ten turn, 750 meter permanent karting specific asphalt race track. The course can be run in various configurations and in both directions.
- ❖ TRAK follows Kartsport Canada recommendations including a supplemental rule set completed by TRAK Officials.

Events will be run in accordance with the 2020 Kartsport Canada Karting Sporting Regulations, the 2020 Kartsport Canada Technical Regulations, the 2020 Briggs & Stratton Canadian Technical Regulations, the 2020 Rok Cup Canada technical regulations and these Supplemental Regulations. All the primary regulations can be found at <https://kartsportcanada.ca/rules-regulations-2020/>

- ❖ It is the driver's responsibility to read and understand any and all rules prior to participating in any TRAK event.
- ❖ Eligibility is open to all current TRAK members. Visiting members may participate in TRAK events provided that they hold a valid Club license from another club in good standing. Proof of valid membership is required.
- ❖ Registration will open the morning of each scheduled event. Race day fees are \$90 for all TRAK members and \$100 for all visiting members. All fees shall be payable to Goodwood Kartways.

- ❖ Technical Inspection must be completed prior to any on track activity. The Technical Inspection method used by TRAK is self declaration. Each participant must submit a fully completed Pre-technical Self-declaration form to a designated TRAK official prior to the start of the first scored session. Forms are available at goodwoodkartways.com.
- ❖ Transponders are included in the registration fee. Transponders that are not returned by the end of the race day will be subject to a \$50.00 administrative fee. Competitors are responsible for the full replacement cost (\$350) for transponders that are damaged or not returned.
- ❖ Qualifying procedures will vary based on the type of event format being run. Race formats are listed on the official TRAK schedule.
- ❖ Official race day details will be posted on www.goodwoodkartways.com and available at least 24hrs prior to any event.
- ❖ All race day information including session results will be posted at the track on the Notice Board.
- ❖ The following classes will be offered in the 2020 TRAK Championship:
 - ❖ Briggs Cadet
 - ❖ Briggs Junior Lite
 - ❖ Briggs Junior
 - ❖ Briggs Senior
 - ❖ Briggs Masters
 - ❖ Mini Rok
 - ❖ Junior Rok
 - ❖ Senior Rok
 - ❖ Masters Rok VLR
 - ❖ Shifter Rok
- ❖ All classes require minimum enrollment (5). Classes are subject to cancellation or merging with another class if minimum enrollment isn't achieved.

SUPPLEMENTAL SPORTING REGULATIONS (BOOK 1)

Any request to speak to an official must be conducted by filling out the inquiry form and handed to the designated person at the track. The Race Director will decide if there is to be any further action. The Race Director's decision is final and not subject to appeal.

General Prescriptions Participation in a TRAK event is restricted to members of the club. Visiting members are permitted to participate in a maximum of three (3) events in a calendar year provided that they hold a valid club license before they are required to purchase a TRAK License.

General Prescriptions 1.9) Senior Age: All drivers shall be at least 15 years old or seek written approval from TRAK to participate in a senior class. Approval may be granted for any obvious handicap solely at TRAK's discretion. Driver's experience will be considered.

2.4) Helmet Cushions (neck collars) are mandatory in all Junior classes.

7.3) Under red flag conditions all drivers are to stop as quickly and safely as possible on a straightaway, pulling full off the racing surface on drivers right hand side when possible.

8.2) Waiver forms and parental consent forms must be completed during the membership application process. These documents will be collected annually and kept on file.

9.2) Transponders must be mounted during all practice and race sessions as per the Kartsport Canada technical regulations.

Notes: Participants who wish to make an inquiry regarding a penalty and/or decision imposed by a TRAK Official must complete the TRAK Incident Review Form found below. Any other type of inquiry will not be entertained. Completed Forms will be reviewed and addressed before next on-track session. This is an inquiry only. Full investigations must still follow protest procedures.

Publishing of Penalties

All Suspensions, Disqualifications, Probations, and other Infractions deemed appropriate by the Officials, may be published on the results board, TRAK social media pages, and/or released to the general media via press release. There is no appeal.

Parking

Only trailers and/or pick-up trucks being used to transport karts have access to Section A below and will enter the paddock from the Main Gate (South Gate). ALL passenger vehicles MUST enter the facility from the Side Gate (North Entrance) and use Section C for parking.

This WILL be enforced and penalties WILL apply.

SUPPLEMENTAL TECHNICAL REGULATIONS (BOOK 2)

25.1) See '2020 Class Structure' chart above for spec tire requirements. Wet tires for all classes will be VEGA ONT W5. Drivers must use 4.60 fronts and 6.50 rears in wet conditions except for Mini Rok and Briggs Cadet which will use 4.60 fronts and rears.

25.2) Members must use original PERMANANTLY stamped VEGA Blue ONT tires that contain barcodes.

32.1) The spec fuel for the club is ESSO Supreme: Fuel must be purchased at one of the following locations ESSO in Goodwood, just east of the intersection of Bloomington Rd (#47) and Goodwood Rd (#21); ESSO in Stouffville, on the north/west corner of Bloomington Rd (#47) and Markham Rd (#48).

The spec fuel for ALL Rok classes is Sunoco 110 Racefuel which is available at the track. It is the driver's responsibility to have fuel for each event. All Rok classes will use Silkolene Pro KR2 or Pro2 or Motul 2T as the spec oil.

SUPPLEMENTAL SPORTING APPENDIX FOR ALL CLASSES – CLAIMING RULE

In order to maintain a level playing field for members and guests, TRAK members adopt a CLAIMING RULE FOR ALL CLASSES. The claiming rule has been very successful at clubs across Ontario and continues to foster growth.

1. Competitors making a claim at an event must be entered in the affected class. They may only claim an engine within their entered class with a maximum of two claims throughout the calendar season. A competitor, or representative thereof, cannot claim their own engine. A claimed engine CANNOT be re-claimed by the original owner in the same season.
2. The competitor making a claim must give written notice to the Event Technical Director prior to the display of the chequered flag of the class final race and must include payment in full.
3. The price, payable to Goodwood Kartways, to claim an engine in a Briggs class is as follows:
 - a) \$825.00 – replacement cost
 - b) plus, a \$150.00 transfer fee,
 - c) plus, a \$225.00 administrative fee,
 - d) Total - \$1,200.00 plus HST.

The price, payable to Goodwood Kartways, to claim an engine in a Rok class is as follows:

- e) \$3,800.00 – replacement cost f)
plus, a \$500.00 transfer fee,
 - g) plus, a \$500.00 administrative fee, h)
Total - \$4,800.00 plus HST.
4. There can only be one claim on an engine at an event. The first fully completed claim is the only claim. TRAK will hold the claim money until the claimed engine has been inspected for legality. Inspection of claimed engine is according to class regulations and MAY NOT be waived by any party.
5. The claimed engine will be tagged as soon as it comes across the scales and will be immediately taken to the TRAK Technical Director for inspection and remain in TRAK's possession throughout the entire process. Both claimer and claimed have the option to be present at the time of inspection. The decision by the TRAK Technical Director is final and binding and no further action can be taken by any party.
6. If the claimed engine is found to be legal:
 - a) The claimed engine will be awarded to the claimer.
 - b) The claimer will receive any and all items which are found in the originally packaged product.
 - c) All external components are subject to inspection but will be returned to the claimed party.
 - d) Goodwood Kartways will award the claimed party w/ a NEW engine in a factory sealed box, plus the corresponding transfer fee.
7. If the claimed engine is found to be illegal:
 - a) The Tech Director must confiscate ALL illegal parts and related parts from the claimed engine.
 - b) The Claimer has the option to void the claim if engine is found illegal and claim money less the administrative fee will be returned to the person filing the claim.
8. Refusal of claim, destroying or withholding of parts, or any other lack of cooperation in this claim or inspection process will be interpreted as an admission that the engine is illegal and may subject the driver to further penalties by TRAK officials.
9. TRAK Officials may make alternative concessions if a particular situation justifies it.
10. This Claiming Rule is subject to change at the discretion of TRAK Officials. Any change in this rule will be posted on-line in accordance with our Rules and Regulations.
