

TRAK RACE TWELVE DETAILS - SATURDAY OCTOBER 3RD, 2020
LONG TRACK REVERSE CONFIGURATION

It's hard to believe but season's end is quickly approaching! TRAK Race 12 is on deck leaving two races remaining to determine our 2020 series champions. The track has been very busy with drivers already beginning preparation for 2021! We look forward to seeing multiple drivers moving up in class and even a few new members entering TRAK competition for the very first time! Long Track Reverse is the configuration utilizing our standard qualifying format. The weather is cooling off but we are looking forward to another great event.
