At Goodwood Kartways we strive to create the ultimate racing experience. With a safety first approach, everything is provided for our members to go racing. A big emphasis is put on training and instruction. Each of the seven racing schedules begins with mandatory on-track and in-class training. Our series is organized like any other professional form of racing but designed to cater to the rookie and/or beginner.

Members must dress for the weather with no skin exposed. One-piece racing suits are required along with any type of glove. Thin sole running shoes are recommended and a neck support is mandatory.

To promote safety, Goodwood Kartways has OPEN HOUSE specials on all racing equipment. Members may choose to purchase their own personal racing equipment to be worn on all on-track activities.
